Vision

To be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas and thereby, cater to the health needs of the people at large.

DELHI PHARMACEUTICAL SCIENCES AND RESEARCH UNIVERSITY

Mission

To develop core competency in pharmaceutical sector and contribute in building leaders, administrators and personnel who can take up responsibilities as pharmaceutical science professionals, appropriate for community, institutions and industries on health and management related fields.

Objectives

- To have a comprehensive, multi-disciplinary institute for learning and research with holistic approach in pharmaceutical and sciences
- To provide infrastructure and research facilities for the dissemination of the advanced knowledge to the students in various branches of pharmaceutical sciences through innovative teaching-learning processes with interdisciplinary approach such that they propagate their wisdom to acquire all kinds of knowledge and generate new ideas
- To educate and train manpower for the development of the country and establish linkages with industries for the promotion of science and technology through several health-related courses in MLT, GNM and X-Ray Technology
- To cultivate the spirit of embracing internationalism/ diversity and competitiveness/ competition amongst students such that novel and creative ideas are harnessed, leading to unique discoveries and inventions, for the advantage of society at large.

Quality Policy

- Circular Designing: Unique Courses with Global Thinking & Local Needs
- Teaching Learning Process: Pedagogy with Participative Learning
- Research & Innovation: Research Excellence with Innovation & Incubation
- Infrastructure: Ambience for Rigorous Learning
- Student Progression: Leadership without Power & Power without Hierarchy
- Best Practices; Integration of Sports & Physiotherapy education for holistic development
- Reaching the community for Health Awareness

FROM THE VICE CHANCELLOR DESK

Welcome to Delhi Pharmaceutical Sciences and Research University!

I extend a warm invitation to each one of you to embark on an enriching academic journey with us at the Delhi Pharmaceutical Sciences and Research University (DPSRU). The University is committed to fostering excellence in pharmaceutical education, research, and innovation. The University has been contributing well trained manpower to the healthcare sector. The Delhi Pharmaceutical Sciences & Research University is the first and only pharmacy University of India and third in the world, dedicated to pharmaceutical and allied health sciences.

In addition to the strong academic programs, the University promotes comprehensive research to cater to the various sectors of the industry. I am proud to share with you that there are 5 faculty members currently in the list of top 2% scientists in the world published by Stanford University. In a recent list published in PLOS Biology, a monthly peer-reviewed scientific journal covering all aspects of biology, published by the Public Library of Science, 8 faculty members of DPSRU are in the list of top scientists of the world (~20,000). An honor indeed! DPSRU boasts of the state-of-the-art infrastructure research facilities. The University has also established strong linkages with industries. The University has signed more than 35 MoUs with National Government institutions and the Pharma Industry. The University has developed collaborations and tie-ups with various countries as well. The University has been constantly well placed in the NIRF ranking and the NAAC grades.

In addition to publications of research papers and books, and filing of patents, there is a focus on innovation and incubation for entrepreneurship development. The University has nurtured 18 startups with several products in the market. I am very proud of the achievements of our students and faculty. The University has produced numerous scholars excelling in different fields. No wonder then there have been excellent campus placements.

The world-class faculty is dedicated to nurturing the next generation of pharmaceutical leaders. Whether you aspire to pursue undergraduate, postgraduate, or doctoral studies, DPSRU offers a diverse range of programs tailored to meet your academic and professional goals. You will find here a comprehensive, multi-disciplinary institute for learning and research with holistic approach in pharmaceutical and sciences.

My dream is to fulfil the universities vision to be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas. As you explore our admissions brochure, I encourage you to discover the myriad opportunities available at DPSRU, from cutting-edge research initiatives to hands-on experiential learning opportunities.

Join us in shaping the future of pharmaceutical sciences and making a positive impact on healthcare worldwide. Come join us in this journey. come, be part of this University. I am sure a great future awaits you! My team of faculty, staff and students look forward to welcoming you to our campus and witnessing your growth and success as part of the DPSRU family.

Prof. (Dr.) Mahesh Verma

FROM THE REGISTRAR'S DESK

Dear incoming students of DPSRU,

DPSRU is the premier Pharmacy University of India. Though there are 7 centrally funded NIPERs in India offering education in the field of Pharmaceutical Sciences, DPSRU is the only Institution in the University category offering Pharmacy Education funded by GNCT.

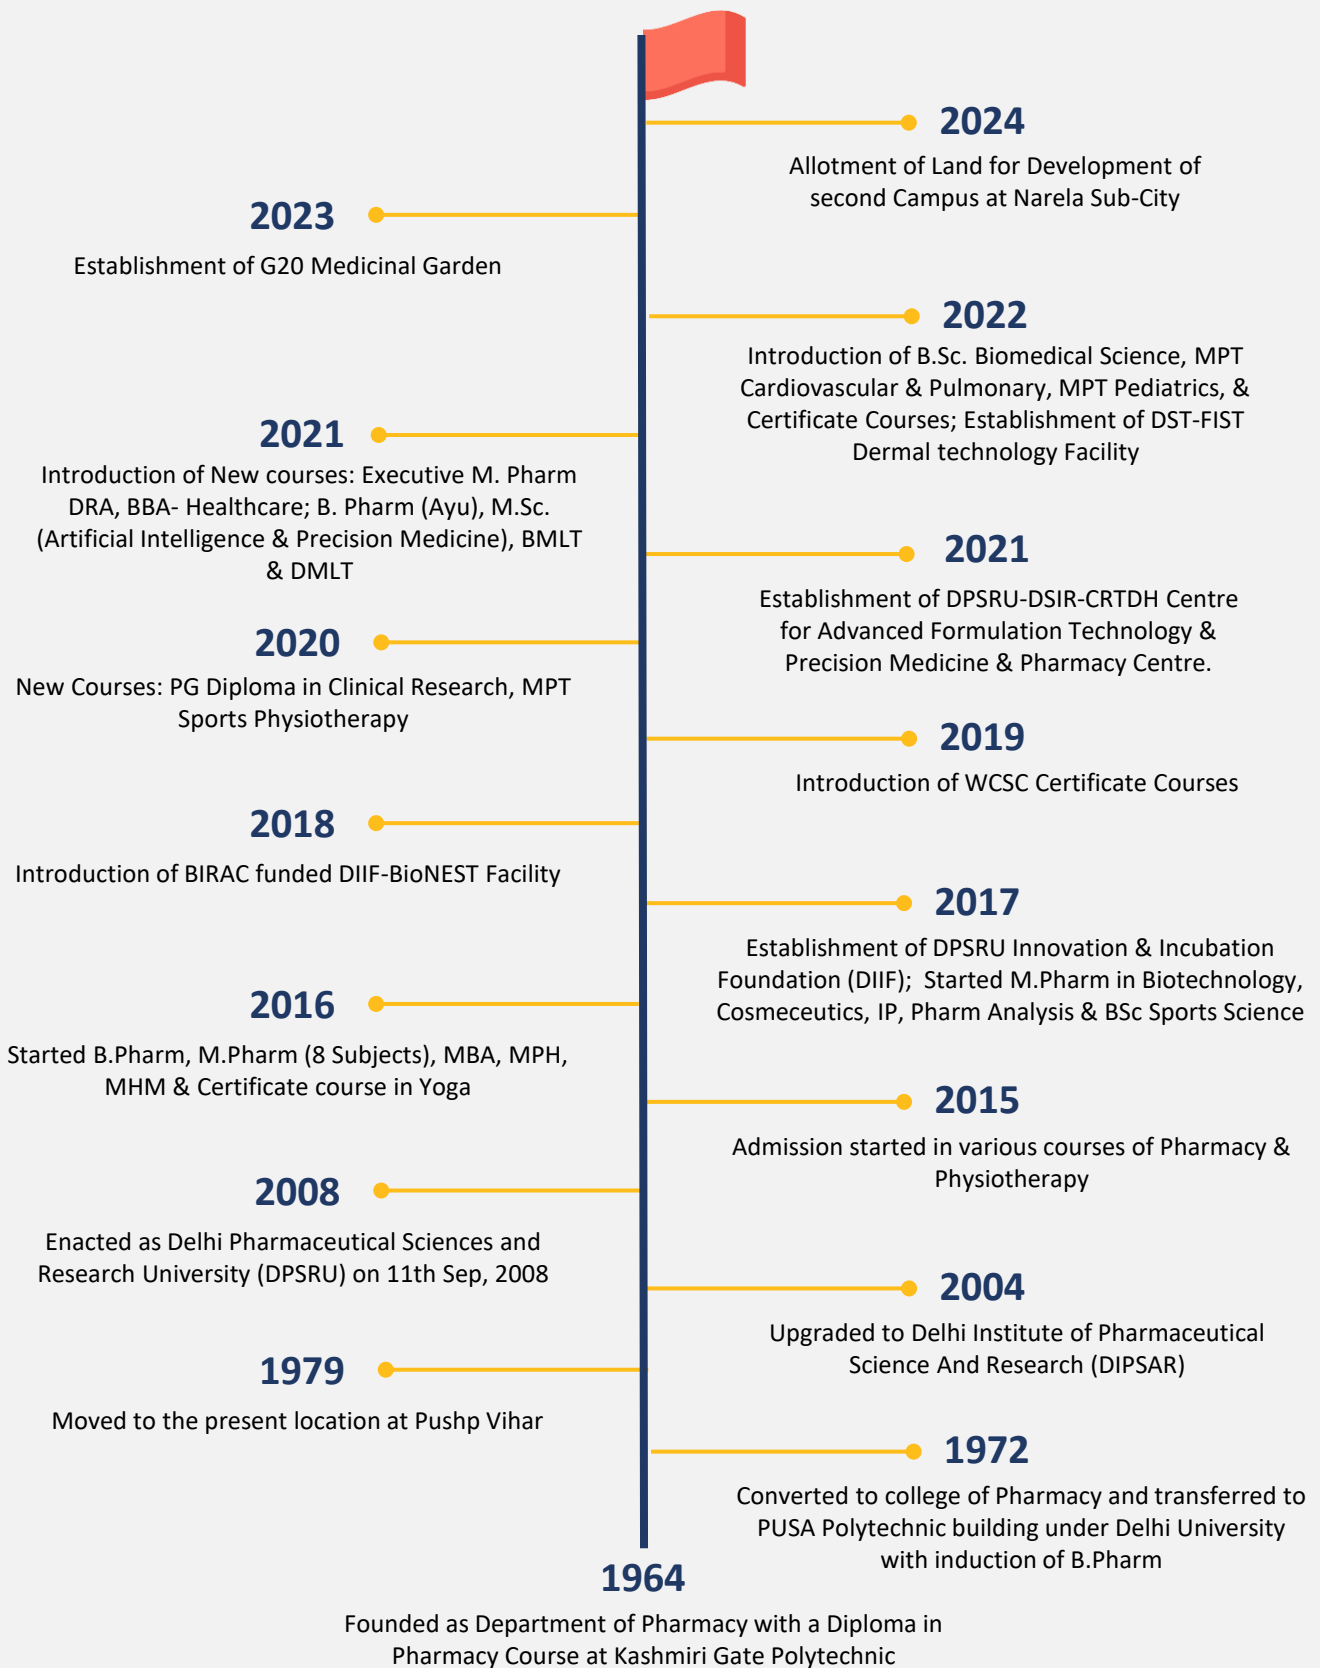

The background of the Institute goes back to 1964, when it started as a pharmacy department of a polytechnic at Kashmere gate. However, the tiny department grew up as College of Pharmacy followed by Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR).

DIPSAR was the department of Pharmacy of University of Delhi upto 2015 and as the Pharmacy University was established in 2015, DIPSAR continued as the constituent college of DPSRU University.

I wish all the best to the students entering this University in various courses and build up a great career with the currently available excellent facilities

Prof. (Dr.) P.K. Sahoo
